Once you enter, you will be so impressed by the brand-new luxury vinyl plank flooring that flows seamlessly throughout the home. The heart of the home is the stunning, fully Renovated Kitchen featuring all-new 2024 appliances, Quartz Countertops at counter height, a farmhouse sink, tile backsplash, spacious walk-in pantry, and a unique floating floor system designed for added comfort. The main living area is filled with character, highlighted by a vaulted, whitewashed wood-paneled ceiling that creates a bright and sunny, coastal beachy feel. Elegant wainscoting enhances both the foyer and Dining Room area. The oversized Master Suite is on the opposite side of the home and offers a true retreat with a spa-like bath, including a double vanity, jetted tub, tiled flooring, and a large closet with custom built-ins. Two additional Bedrooms on the opposite side of the home provide flexibility for guests, family, or a home office. Relax year-round in the bright Carolina Room overlooking a beautifully private, tree-lined backyard.
